3rd Asia-Pacific Young Researchers and Graduates Symposium

Advance in Structural Engineering

25-26, March 2011

Organized by
National Taiwan University
National Center for Research on
Earthquake Engineering
Taipei, Taiwan

IMPORTANT DEADLINES

Submission of abstracts: 2010/11/30

Notification of abstract acceptance: 2010/12/31

Submission of final paper: 2011/2/28

WELCOME

We are privileged to be hosting the 3rd Asia-Pacific Young Researchers and Graduates Symposium (YRGS2011) at the National Taiwan University and the National Center for Research on Earthquake Engineering in Taiwan. The objective of the symposium is to provide a forum for young experts from research and practicing engineering communities working in structural engineering and construction to present their latest development, to exchange the information, to discuss the current problems and address the future challenges in structural engineering. The symposium is also aiming to establish a collaborative network for researchers and engineers in structural engineering within Asia-Pacific area.

The 1st Asia-Pacific Young Researchers and Graduates Symposium was held in Kunsan, Korea on 27-28 February 2009. The 2nd symposium was held in Hangzhou, China on 27-28, March 2010. The 3rd symposium, organized by the National Taiwan University and the National Center for Research on Earthquake Engineering, will be held in the city of Taipei, the capital city of Taiwan.

On behalf of the Organizing Committees of YRGS2011, we cordially invite you to attend this symposium. At the same time, we are indebted to all authors for their contributions in the field of structural engineering.
